

GOVERNOR ARNOLD SCHWARZENEGGER

August 29, 2006

Mr. Richard D'Argenzio  
1204 West Burbank Boulevard  
Burbank, California 91506

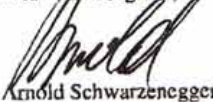

Dear Richard,

I received the wine you left for me with Teri, and I'm really knocked out by your kindness.

Who would have known that you're a world-class cabinetmaker AND a winemaker? If the wine is even half as good as the woodworking projects you've done for us, I'm in for a treat, and I'll get into at least one of the bottles very soon.

Thanks again for your thoughtfulness.

With warm regards,

  
Arnold Schwarzenegger
